WE HAVE JOINED BNI IN THE GROUP CLASS

Grant Ashley strengthens his presence in the business world through a **membership in BNI Class**: a collaboration for growth as a business.

Grant Ashley, a reference company in the field of micropigmentation, has decided to take a firm step in its presence and positioning by **joining the international networking association BNI, forming part of the Class group**. This membership not only represents an important commitment, but also an **opportunity** to show other companies in various sectors, the benefits and the importance of using prestigious professionals to achieve optimal results in this specialty.

In addition, the active participation of **Paco Garcias**, partner and micropigmentor of the company in BNI Class, is not only aimed at creating **new business opportunities**, but also at **establishing solid networking relationships with other local companies**. Through this platform, the company has the opportunity to connect with other entrepreneurs,

learning from their experiences and sharing knowledge. This exchange provides a basis for collaboration and joint growth.

The vision of Grant Ashley and Paco Garcias goes beyond simply being a micropigmentation company; they want to be **an active part of a business community that is constantly growing and evolving**.

GRANT ASHLEY CENTER

The Grant Ashley Center, in Inca, is currently **the largest micropigmentation center in the Balearic Islands**, with specialist technicians dedicated exclusively to micropigmentation, thus offering exclusive professionalism and experience.

GRANT ASHLEY, OVER 10 YEARS OF MICROPIGMENTATION

Grant Ashley is a specialist and trainer with **more than 10 years of experience** in the world of micropigmentation who has gradually established himself as an **expert** in this sector. With an outstanding career in this field, his training began through a specialization in Germany in 2013 and participation in Beauty Fairs in Munich and Dusseldorf, and has continued with various trainings in Mallorca and Madrid throughout these years.

His passion for perfection in this profession has led him to provide training in both Barcelona and Mallorca, with which he has collaborated with the Ministry of Education giving courses to the teachers of the Vocational Training Cycles. This has allowed him to share knowledge with other technicians in the sector.

Some names she has trained with include: Ana Savoy, Mario Gisbert, Dina Gil, Lew Grady, Camila Emanuela, Antonio Caro, Sofia Terron, Sviatoslav Otchenash, Gisela Ritter, etc.

Grant works, in addition to his own center in Inca, in other locations all over the Balearic Islands, where he offers his services with the same passion and desire as on the first day, offering clients an experience and **first-class results level**.

COURSE OF AREOLES JESSICA SOUTO

In a continuous commitment to offer the **best service** to its clients, Jessica Souto, member of the Grant Ashley team, recently shone in a course of areola micropigmentation organized by the Son Llatzer hospital, under the guidance of the distinguished expert **Antonio Caro**.

We would like to congratulate Antonio Caro for **winning the first prize in the prestigious Nipple Reconstruction MasterClass**. A well-deserved recognition for his skill and commitment in this vital field of reconstructive surgery. Jessica, with her determination and professionalism are an inspiring testimony to the entire Grant Ashley team.

This training represents a **further step** for Jessica Souto and her **commitment to excellence in micropigmentation services**. The application of the areola and nipple reconstruction technique becomes an added value to the already outstanding specialization in the world of micropigmentation. With this initiative, Jessica seeks to exceed the expectations of her clients, **offering a complete and personalized treatment**.
